Connect Series

For Queensland's Leading Regional Companies

About Queensland Leaders

Queensland Leaders inspires companies through knowledge, connections and resources. Leaders surrounds growth companies with the expertise and experience of Business and Industry leaders to provide an effective, trusted community that fast-tracks outcomes and leads to greater prosperity for each Member.

The focus of the Leaders Connect Series is to provide a sustainable platform for regional companies to access the latest expertise, and knowledge, along with connection to a broader community locally, and across Queensland.

Your Opportunity

Leaders Connect Members gain a trusted community that delivers knowledge and support to access growth, innovation, and opportunity. It provides an affordable, time efficient way to maintain professional development, while accessing trusted connections and new business opportunities.

This ensures they build meaningful relationships and achieve exceptional outcomes.

Preferred Company Profile

Regional Membership is best suited to business owners and managers seeking efficient access to:

- Growth opportunities;
- Innovation of the business of its products/services;
- The skills to building their management team and succession opportunities;
- Exit opportunities.

The following general criteria apply to be considered for selection:

- Available to companies based 100km or more from Brisbane CBD;
- Companies need to be privately owned, Queensland-based with a minimum operating history of 1 year.
- Focus on skilling up the founder and senior management of the company.

Your Investment

Each Connect Series Member Leader is involved for two years initially.

The annual investment is \$ 900 (+GST) with the option to renew yearly.
