

Congratulations to Queensland Leaders' 2016 Executive Members & Future Leaders

We are thrilled to congratulate the Queensland Leaders' Executive Leaders & Future Leaders who have graduated for 2016.

In recognition of their achievements during the past year, a great evening was held recently to celebrate their journey and for each of the members to receive their graduation statuettes.

Some of the key outcomes achieved during the year have been:

- Capital Raisings
- Re-brand and Profile
- Exit & Succession
- National & International Market Entry

The evening was highlighted with a keynote address from Mel Bridges, Chairman and CEO of Anantara Lifesciences. Mel shared his experiences in the building up and listing of five Australian companies on the ASX and London Stock exchanges. His reflections provided a great insight into the emotional journey many entrepreneurs have to undertake to be highly successful.

These graduating members will now transition to the Alumni Series and continue their growth journey into the future.

Queensland Leaders currently has two Executive Leader positions available for the 2017 series commencing in February, 2017 – if you would like to nominate your company please go to: www.qldleaders.com.au/contact-and-nominate/. Should you wish to refer a business which is both dynamic and growing, please contact Queensland Leaders directly on 07 3392 1661.
